

*"I seriously think King of Paine is the most canny and intelligent suspense piece I've ever read...This book will become your newest obsession as well as your biggest nightmare." -Miraculous!*

**A desperate patient.**

**A rumored cure.**

**How far would you go to save your own life?**

*King of Paine* is a sexy, fast-paced suspense novel filled with characters who grapple with a range of intriguing end-of-life issues while everything they care about is at stake. The story follows two investigations, Special Agent Frank Paine's pursuit of a stalker committing a series of kinky Internet crimes and a reporter tracking the disappearance of wealthy senior citizens across the nation. Both paths lead to a hidden enclave where a

brilliant biochemist harbors a deadly secret. Somebody is going to die there, and it may be Frank Paine's soulmate. Or him.

Readers who liked *The Girl With The Dragon Tattoo* or the novels of Greg Iles will enjoy settling in with *King of Paine* for a sexy, thought-provoking ride.

*"Larry Kahn has managed to create a cast of unforgettable characters, throwing in a bit of sex and misadventure, while infusing it with legal, moral, and ethical dilemmas. To say that I thought the King of Paine was brilliantly written would be an understatement. I sat down to read the book in the morning and was unable to put it down until I read the very last page!" -The Write To Make A Living*

*"The writing is perfect...Plus, that plot? Holy hell! I never could have seen the twists and turns coming."-Owl Tell You About It*

*"...a roller coaster ride of who done it, oops, no they didn't. But it's not just that, the story makes you think and ask yourself some really important questions." -Forbidden Reviews*

*"One's past is a vicious weapon. "King of Paine" is a spinning novel from Larry Kahn, as he tells the tale of Ex-Hollywood star turned FBI agent who quickly finds that his sultry past will more than screw with his new noble career path. Angry exes and vicious stalkers make "King of Paine" an enticing combination of spy thriller and romance with a dose of intrigue, highly recommended." -Midwest Book Review*
